

Introduction

Welcome to the Spiritual Revolution!

You will see that there is no way to overthrow the prince of darkness except by the marching orders of the King of Light! He has the winning battle plan. The Mini-Manual for Spiritual Revolutionaries was written so that you can quickly learn how to become an activist and implement dramatically positive changes in your life. It is loaded with revolutionary concepts that have been lost, ignored, forgotten, or suppressed by those who play religious games. This valuable resource should be printed and studied extensively! Many of these pages you will read over and over again to realize the full benefits and understanding. You will learn how to transform your life into one filled with love, joy, peace, etc. You will become a light to the world, no matter how dark your background was.

For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places. (Eph 6:12)

The Son of God appeared for this purpose, to destroy the works of the devil. (1 John 3:8)

In order to be consistently upbeat and passionate about our cause, God has provided the assistance of the church. You will find that your zeal can easily fade away if you don't continually renew your mind. As the first martyr for the Spiritual Revolution, Jesus' death teaches us what love looks like. He asks us to remember this by participating in the Lord's Supper. We break bread in remembrance of His body that was violently crucified on our behalf. We drink the fruit of the vine (grape juice) in remembrance of His blood that was shed for the forgiveness of our sins. The church described in the New Testament met for this purpose on the first day of every week, which was the day that Jesus victoriously rose from the dead. We can build our enthusiasm by following their example.

They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. (Acts 2:42)

Christ's church has a mission!

Jesus said to go make disciples. When Revolutionaries obey their Lord like they did in the first century the whole world hears the good news in ONE GENERATION.

These are the most exciting of times! Who's on the Lord's side? We are marching victoriously forward, carrying out the King's triumphant battle plan.

Jesus duplicated Himself in His disciples, and taught them to do the same. The key is that He also taught them to teach their disciples to do the same.

Maranatha! Come quickly Lord Jesus!

There are over 6 billion people on this earth. If each person told one other person each day it would take just over a month for the whole world to hear. With today's technology this is almost possible. If each person told one other person each month it would take less than three years for the whole world to hear. If each person told one other person each year it would take 33 years, ONE GENERATION, for the whole world to hear.

The most effective way you can begin to direct your energy is to enthusiastically invite your friends to take a look at JesusForKing.com, sign up for the newsletter, and

enroll in the Mini-Course for Spiritual Revolutionaries. We have several downloadable tools that you can use to build people’s interest, including each of the lessons in the course, but the best way to get people excited is for you to be excited.

America’s Godly Heritage is the first video in the course. Most Americans are going to agree with the material presented, and wish that there was something that could be done. There is! You can take them through the Mini-Course for Spiritual Revolutionaries so that they will understand the nature of the battle we are engaged in, and how they can become a triumphant conqueror:

Something that you should do right now is to make a list of everyone you know. A contact list that you can systematically work through will help you stay focused and will greatly multiply your effectiveness. The importance of doing this right away cannot be overstressed! This is a work in progress. You should be continually adding more and more names. Anyone who plans on being a successful revolutionary must develop the habit of working from a list.

These are just a few key things that can help you get off to a productive start. You should be in constant contact with your mentor. Always write down questions you have so that you remember them. Make it one of your highest priorities to find time to meet for about an hour a week for about the next year. The study course that is used for this ongoing training is designed to lay in place all of the foundationally critical, Biblical basics that everybody who is serious about winning the eternal prize must know. It is vital for your growth and enlightenment.

This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all. Beloved, now we are children of God, and it has not appeared as yet what we will be. We know that when He appears, we will be

like Him, because we will see Him just as He is. And everyone who has this hope fixed on Him purifies himself, just as He is pure. (1 John 1:5, 3:2-3)

For our citizenship is in heaven, from which also we eagerly wait for a Savior, the Lord Jesus Christ; who will transform the body of our humble state into conformity with the body of His glory, by the exertion of the power that He has even to subject all things to Himself. (Phil 3:20-21)

Jesus wants everyone to have the opportunity to hear and obey the gospel. Once they have there is no longer any reason for His delay. Maranatha!

So that in the ages to come He might show the surpassing riches of His grace in kindness toward us in Christ Jesus. (Eph 2:7)

It was for this He called you through our gospel, that you may gain the glory of our Lord Jesus Christ. So then, brethren, stand firm and hold to the traditions which you were taught, whether by word of mouth or by letter from us. Now may our Lord Jesus Christ Himself and God our Father, who has loved us and given us eternal comfort and good hope by grace, comfort and strengthen your hearts in every good work and word. Finally, brethren, pray for us that the word of the Lord will spread rapidly and be glorified, just as it did also with you; and that we will be rescued from perverse and evil men; for not all have faith. But the Lord is faithful, and He will strengthen and protect you from the evil one. We have confidence in the Lord concerning you, that you are doing and will continue to do what we command. May the Lord direct your hearts into the love of God and into the steadfastness of Christ. (2 Thess 2:14-3:5)
